### Group settings ..... why do you need it en how does it work?

[Click here to read this manual in PDF](#)

Owners and managers of our groups can arrange the group setting as they wish.  
On this way you decide whether and how your group is visible on the internet.  
You can delete your group here too.

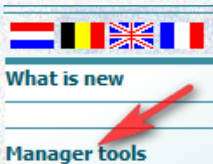

This manual is divided in:

- [Where do you find the groupsetting on Omni-Chat?](#)
- [Your group settings](#)
- [Delete your group](#)

#### Where do you find the group setting on Omni-Chat?

If you are logged in with your managers-account on de home-page of Omni-Chat, you can click on "My groups" in the left column.  
You'll get a list of all your groups.  
Click on the name of the group, which group you wish to modify.

The left column will show the function: Manager tools

If you click as the red arrow shows, you see on the right: "Edit your group settings".

[Edit your group settings](#) ←  
Edit the description, policy settings, categories and you can delete your group.

Click again as the red arrow shows and you get the group settings.
